News Release

For Immediate Release: February 25, 2016

Water shutdown for Makeke Road rescheduled to March 1

WAIMEA – The Department of Water (DOW) has rescheduled the 4-hour water shutdown that was cancelled yesterday, affecting Waimea residents located on Makeke Road, between Kaumualii Highway and Huakai Road. The water shutdown has been rescheduled to Tuesday, March 1 from 10 a.m. to 2 p.m., weather permitting.

This water shutdown will allow the DOW to repair a water hydrant lateral and make improvements to the area's water system.

Affected customers are advised to take the following steps:

- Store enough water to meet your needs during the shutdown.
- Notify family, friends and neighbors that may be affected by the shutdown.
- Those with faulty water heaters should ensure that water heaters do not empty during the shutdown.
- Drive with caution and allow extra travel time while proceeding through the construction area.

Affected customers will be notified door-to-door, by a DOW operations crew.

The DOW apologizes for any inconvenience and thanks Waimea residents for their patience and cooperation while these necessary improvements are being made.

Updates will be posted on www.facebook.com/KauaiDow if this schedule changes or new information becomes available.

For more information, call the DOW at 245-5455.
